### About AUVSI Cascade Chapter

AUVSI Cascade Chapter is one of 40 federated chapters of the Association for Uncrewed Vehicle Systems International (AUVSI), the world's largest non-profit organization devoted exclusively to advancing the uncrewed systems and robotics community. AUVSI Cascade in the Pacific Northwest, is one of the three largest chapters and includes over 450 individual and organizational members from industry, government, and academia. Three time winner of the Chapter of the Year, the award is in recognition of our execution in all aspects of our stated mission, including strong community engagement, leadership in advocacy, and generous support for STEM grants and student engagement.
